

Get ready for a summer camp full of imagination and innovation! Storytime STEAM brings your favorite children's books and stories to life with hands-on Science, Technology, Engineering, Art, and Math activities. Each day, campers will dive into a beloved tale, like *The Most Magnificent Thing* or *Rosie Revere, Engineer*, and then explore STEAM concepts inspired by the story. From building bridges for the *Three Billy Goats Gruff* to creating circuits for a glowing *Firefly Night*, the adventures are endless. With plenty of creativity, teamwork, and fun, Storytime STEAM sparks a love for stories and a passion for learning. Perfect for curious young minds who love stories and making discoveries, this camp combines the magic of reading with the excitement of STEAM!

Who? Rising 1st-4th grade students
