

Name _____ Homeroom _____

6th Grade Google Docs Fictional Essay

You have been assigned the writing prompt circled in this packet. You are to write an essay with a minimum of 350 words using your assigned prompt below. The highlighted phrase will be your title. Center-align your title in Arial font, size 14, bold. Use Arial font, size 12, (not bold) for your story. Your story must have a clear beginning, middle and end, and follow the prompt you've been assigned. You will be graded on this assignment and present your story to the class on Thursday & Friday. Please turn in a printed copy to Mrs. Brister.

1. The Magic Pencil

- "You find a pencil that makes everything you draw come to life. What do you draw, and what happens when your drawings come alive?"

2. The Secret Room

- "You discover a hidden room in your house that you've never seen before. Inside, you find something incredible. What is it, and what do you do with it?"

3. The Mysterious Package

- "One day, a strange package arrives at your door with no return address. Inside, you find something amazing. What is it, and what do you do with it?"

4. The Robot Friend

- "A scientist gives you a robot as a friend. What cool abilities does your robot have, and how do you work together to solve problems?"

5. The Haunted Treehouse

- "You and your friends build a treehouse, but strange things start happening once you're inside. What spooky or magical surprises are hidden in the treehouse?"

6. If I Were Invisible

- "You wake up one day and discover you're invisible! What's the first thing you do, and what adventures (or mischief) do you get into?"

7. Time Travel Trouble

- "You find a time machine in your backyard and accidentally travel back in time to meet a famous person from history. Who do you meet, and what do you do together?"

8. The Lost Treasure

- "You and your friends find an old, mysterious map leading to hidden treasure. Where does the map take you, and what do you find when you get there?"

9. Underwater Kingdom

- "While swimming in the ocean, you discover an underwater kingdom. Describe the magical creatures you meet and the adventure that awaits you there."

10. The Day Everything Was Opposite

- "What if everything in the world was the opposite of how it normally is? Describe what a day would be like if up was down, night was day, and even people's personalities were opposite."

11. An Alien Friend

- "An alien lands in your backyard and wants to learn about Earth. What do you show them, and what do they teach you about their planet?"

12. If I Were the Principal

- "Imagine you became the principal of your school for a day. What changes would you make, and how would the school be different?"

13. The Best Invention Ever

- "You have invented something amazing that everyone loves! What is it, how does it work, and why is it so popular?"

14. My Life as a Toy

- "You get turned into a toy for a day. What kind of toy are you, and what happens while you're a toy?"

15. My Tiny Adventure

- "You shrink down to the size of an ant! What do you see, and what kinds of adventures do you have while being so tiny?"

16. Superhero for a Day

- "If you could have any superpower for one day, what would it be? How would you use your powers to help others or to stop a villain?"

17. The Magical Forest Adventure

- "You find a secret door in the middle of a forest. When you open it, you're transported to a magical world. Describe what you see, who you meet, and what happens next."

18. The Snow Day Surprise

- "It's a snow day, but when you go outside, you realize the snow isn't normal! What's so special about this snow, and what happens when you play in it?"

19. The Best Birthday Ever

- "It's your birthday, and all of your wishes come true! Describe the wildest, most fun-filled day you can imagine, from the cake to the surprises."5

20. The Lost Island

- "You and your friends discover a map that leads to a mysterious island that no one else knows about. What treasures or secrets do you find there?"
